

SAS Homeschool Coop With Dr. Stein

Purpose: To accommodate Homeschool families and provide them with a bridge for their child to become comfortable in the SAS environment.

Price: \$270 annually or \$30 per month per student to cover Insurance and School Costs.

Dates: Every in-session Friday during the school year Time: 8:30AM-2:30PM

Subjects may include: Chapel/Worship, Bible Projects, Bible Tests, Memory Verse Test, Spelling Test, Health Projects, Recess, Language Arts Projects, Lunch, Free Reading, Speech, Science Projects, Outreach, Social Studies Projects, Home Economics, Art, Music, and Spanish. They will also be able to attend/participate in the Science Fair, Christmas program, and other school functions.

Description: Participating home-schoolers will attend on Fridays as guests. We will have our project presentations on Fridays, as well as special scheduling such as Art, Music, and Spanish. Parents will have access online (via the website), to allow the home-schoolers to study for the spelling and Memory Verse tests, as well as to work on the Social Studies projects as desired (as the child's interest allows). Parents are welcome to stay or leave to their discretion, and a parent corner with seating will be made available for them on these days. All parents who stay must complete Verified Volunteers training and submit to a background check before spending any time in the classroom.
