THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

What a week! The cold and blustery winds tell a story of skipped seasons! Where is our lovely sweater weather? We went straight from short-sleeved shirts to winter jackets! We feel gypped! Lol. We are headed into holiday season, and enjoying every minute!

Lower graders have started their study of the body systems this week. We started with muscles and bones. What an amazing opportunity to see God's handiwork within us! Upper graders had their Quarter 1 test on Animal Classification, which reviewed their vocabulary words from the last 3 months, and checked basic understanding of the concepts taught.

We are busy preparing for our upcoming Science Fair! This fun afternoon our students will be presenting the experiments they planned and executed themselves! There will be interactive exhibits, music, and refreshments. Be sure to come out and show your support!

Another exciting upcoming event is our school leadership days at the churches! Firstly, we will be coming to Concord November 3. We will have a chance to share our chimes music, share our American Sign Language music, practice our public speaking, and lead in singing. Then we will make it to Salisbury, where we have prepared a second selection. We are looking forward to our chance to see all of you! Please pray for us as we continue to prepare at school.

I wanted to take a moment and recognize all of those who work to support our little school. We have a new non-Adventist starting at school this week. This little place is a place where we have a chance to share Jesus' love in a practical way. Thank-you to Mrs. Kellie, Ms. Leesa, Mrs. Jan, Mr. Jim, and Mrs. Lynda for your wonderful support and the time you invest in this evangelistic mission school. We want to continue to bless kids through our efforts! Pray for us, that we can embody Christ and lead these hearts to Him!

We made clay figures of how we think God sees us for our Bible class! The kids did such a wonderful job!

Science Fair

Science lesson in bone strength for the lower graders.

Kindergarten focused on math instruction.

Home and School

I just wanted to give a quick thank-you to those who helped out with the Rummage Sale and Fall Festival. We couldn't have done it without you! We raised a little over \$800 which is right around what we raised last time. Our next one will be in the spring. Let's try to break that record!

Our school's science fair is coming up next Sunday, Nov. 4, at 2:00PM! Come on out and see what the kids have learned! There will be all kinds of topics to learn about and we will have refreshments! So, mark your calendars!

We will be starting our Rada Cutlery fundraiser shortly. More info to come. If you have any questions, please see Rebecca Deal.

“The LORD is my light and my salvation;
Whom shall I fear? The LORD is the strength
of my life; Of whom shall I be afraid?”

Psalm 27:1
