## THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

### A NOTE FROM DR. STEIN

It doesn't seem possible that there are only two more school weeks until Thanksgiving Break, does it? This week we have enjoyed getting to know our new student, Mikaylianne! What fun it is to expand our friendship circles and have a new sixth grader to work and play with!

Our Science Fair is just a day away! This fun event is when students get to share an experiment or study they have completed. We have 5 guest judges scheduled, and there will be ribbons awarded. In preparation for this event, the students have prepared a small gift for attendees. We would sure love to see you tomorrow, Sunday the 4th, at 2PM! There will be projects on dinosaurs, liquid density, ships, animal classification, jets, the skeletal system, and rocks! Don't miss the chance to see the students in action!

With more than half of our student body camping at the Concord church camp out, we are planning on leading out at the campground! If you're looking for something to do Sabbath afternoon, come down to Morrow Mountain and hear the kids sing! Perhaps you'd even be able to catch a hike afterwards, and enjoy some campfire time. We love being in nature, and having a chance to enjoy the blessings God provides!

Next Sabbath, November 10th, we are planning on leading out in the Salisbury church service. We have worked hard on our chimes pieces, our ASL songs, and our speaking skills to prepare for this wonderful event.

Please continue to keep our school in your prayers. What sets us apart as an institution is the fact that we put Christ and the gospel message in the center of all we do. All of the supporters and staff at SAS need prayers. We are humans, with flaws and problems. We all need Christ to fill the gaps when we misrepresent His character! We need daily prayer and intervention!
