THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

Has another week really already passed? It's hard to believe that we are into the second week of November already! Our Science Fair was a considerable success. When we first gathered together [Sunday](#) afternoon, we began with our Peer Review Session. This is when we gather as a class and hear each student give his/her presentation. Then each student gives a score (yes, even the Kindergarteners!). We give a 'thumbs up' or 'thumbs down' on how much we learned, eye contact, volume, and more. This process of peer feedback helps us in our personal development, and is an excellent way to teach constructive criticism and introspection.

The guests arrived at 2PM, including our 4 illustrious Science Fair Judges. A big thank-you to Leesa Hampton, Gaby Duarte, Lynda Teter, and Hanna Wilkerson for agreeing to be our judges. It was a considerable task to grade each project. All students were able to earn either blue or red ribbons! Congratulations to each participant for doing their best!

Science this week for K-4 has been to study bones, blood, and our diet. Did you know that checking labels (especially on junk food!) is important! Some brands of potato chips have double the saturated fat content! So snack smart: check your labels! Science for 5-8 has been dissection and anatomy. We had a chance to see all of the kinds of tissue in the body, connective, tendons, muscles, and more!

Last week more than half of our student body went camping with our Concord Church family at Morrow Mountain! It was a lovely weekend of prayer, songs, hiking, and fellowship. We are looking forward to going again in the Spring.

We are looking forward to being at the Salisbury Church today! We have enjoyed preparing for the service, spending hours practicing chimes and learning ASL. We are happy to share our leadership and speaking skills with our church family! Happy Sabbath!

Getting into God's word.

Testing (and tasting!) how greasy potato chips are.

Science is a time of discovery.

Home and School

The time has come for our Rada Cutlery fundraiser! Are you looking for a unique gift idea for Christmas? Look no further. The prices for Rada Cutlery are reasonable and 40% of the profit goes towards school operations. All orders are to be made by Dec. 5. Money does need to be turned in at the time of your order so we can make sure your order is received by Christmas. You may turn your money or orders into Mrs. Rebecca, Mrs. Kellie, or Mr. John. You also have the option to order online with the school code!

<https://radafundraising.com/?rfsn=1957028.122a1>

4 If you have any questions, please reach out to Mrs. Rebecca. Let's help our school by getting those orders! Thank you for your continuing support of our little institution. The kids greatly appreciate it!

“Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.”
