## THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

### STUDENT OF THE WEEK

#### A NOTE FROM DR. STEIN

Is it Thanksgiving time already? With next Thursday creeping ever closer we are in the holiday spirit here at SAS. Our Christmas play practicing is still under way, and we've even added a chorale poem that will be sure to give you chills. In the upper grade Bible class we are studying heaven and the signs of the end! I can't tell you how thrilling it is to go through the Bible's descriptions of heaven, as well as what the signs are for His second coming! We know it will be very soon. As we were finishing up class one day, one student remarked "No! I don't want to do the other subjects! I just want to talk about this some more!" Heaven is truly on our minds.

Projects this week for the lower graders were on inventions that changed the world. We heard about the intention of the steam engine, the automobile, and even had a chance to see a home-made Edison-style light bulb.

Upper graders studied the Byzantine Era, with a focus on the transitions in Rome and the effect on the surrounding areas.

This week we made an interesting shift. Projects from here forward will be student choice every other week! I had several students ask me when they would get to study a topic that they absolutely love, so this is a nice compromise. Every other week students can pick any topic (Science, History, or Biblically themed) to research for Friday presentations! It will be interesting to see what types of projects arrive!

As Thanksgiving fast approaches, let me take this opportunity to wish everyone a safe and love-filled holiday season! Many good wishes and thankful thoughts are being sent your way from all of us here at school! Happy Thanksgiving!

3 of our students enjoying the Charlotte Children's Theatre production of "Snowy Day".

One of our third graders presenting her project.

We had a special Veteran's Day chapel speaker last Friday!

## Home and School

We are down to the wire on our shoe drive. We are on our 15<sup>th</sup> bag. Our goal is 100 bags. We have 2 weeks left! There is still time to get those shoes in! A lot of you will be around family during this next week. Please, ask your family members if they have any shoes they would be willing to donate.

We also only have about 3 weeks left for our pasta fundraiser.

Our next home and school meeting will be on Dec. 10 after the school's Christmas program! The Christmas program starts at 4PM. Please join us for this special event. The kids have been working very hard and it is going to be wonderful. Home and school will be providing light refreshments afterwards for our meeting.

Hope everyone has a wonderful Thanksgiving!
