THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

Well, it's been a fantastic week here at SAS. We have been celebrating the Christmas season each day! Our Ten Day Countdown includes singing Christmas Carols and having a special Christmas art project each morning after worship. The kids have enjoyed decorating a Christmas village, painting ornaments, and more!

Science this week for upper graders has been about brain development and what different parts of the brain do. What fun experiments we did, finding out what happens when one part of the brain is working, and the other is restrained! Science for lower graders has been learning about safety in play and work. We talked about muscle soreness and exercising hard.

Sickness has swept through our little school. We have had a refresher about cleanliness, hand washing, and keeping germs at bay! As cold and flu season works full strength on our immune systems!

What a lovely thought to think that years and years ago Jesus was growing in Mother Mary's womb. He was growing and kicking and causing her discomfort. To think of God as a helpless baby is such a wondrous thought! We are thanking God for his sacrifice to send his son to earth to take the risk, and all for us! Merry Christmas from the SAS students and staff!

Home and School

Thank you to all who participated in the Rada Cutlery fundraiser. When we have the official amount raised, we will let you know.

With the holidays just around the corner, we don't have a whole lot going on in the home and school corner. Our meeting that was scheduled for Dec. 9 is being cancelled due to the snowy weather this weekend. Everyone please be safe.

Keep saving those Box Tops! Every little bit helps out our little school! Our next fundraiser will be the popcorn fundraiser in January! Keep an eye out for more information!

“Create in me a pure heart, O God, and renew a steadfast spirit within me.” Psalm 51:10
