THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

We are enjoying our scholastic life, here at SAS. The cold, warm, and rainy weather doesn't impact the fun we have at school! There's something comforting about looking out the window, seeing the nasty weather, and sitting cozier into your chair to get your work done. We are thankful for shelter, heat, working plumbing, and a chance to work together at school. We study the Bible, recite our memory verse, plan for daily outreach challenges, and learn how to show Jesus' love to others. This is all in addition to learning Math, Science, Reading, Writing, Social Studies, and other core subjects. What a privilege! What a great chance for life as a child!

We began a new unit this week in Science for lower graders. We started a physical science unit, and learned about energy, conservation, and inertia. We did experiments about objects in motion, and enjoyed learning about how things move. In addition to learning scientific principles, we are also doing a Bible Reading challenge, and trying to read the entire book of Mark in one month. We time ourselves. Do you think we can read an entire book of the Bible in a month if we time ourselves to read 5 minutes a day? So far, it looks as if we will reach our goal.

Upper Graders are finishing their units on body systems. We learned about muscle awareness, fatigue, and started our chapel on the Reproductive System. Do you know the gestation period for Sea Horses? For elephants? Ask an upper grader, they will tell you! What fun to get to study the human body as it relates to our environment. Another fun challenge we are doing as a part of our Science Unit is planning how to secretly encourage others. We choose a person, write a plan on how to share encourage him or her, and then track our progress. Were we able to make them smile? Were they surprised? Did they seem to have happier facial expressions after our surprise?

Our prayer is that all of us can feel encouraged by fellowship with each other. To quote a great song, "He never said we'd only sunshine. And He never said there'd be no rain. He only promised a heart full of singing, about the very things that once brought pain." Is it possible to sing about our pain? Can we find reasons to rejoice in times of difficulty? This is the challenge of being a follower of Jesus.

Jayden having a quiet moment with God.

Home and School

There will be a home and school meeting on January 13 at 3PM. If you are interested in what's going on at the school or our fundraisers, please plan on attending this meeting.

Our Valentine's Day Banquet is approaching. We need lots of volunteers to help make it a success. If you would like to help out or attend, please contact Mrs. Kellie at 904-214-2843

Keep collecting those Box Tops! Every little bit helps!

"I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself for me." Galatians 2:20
