THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

Week 2 is nearly over! Our student population seems to have settled at 15 students. With all 8 grades represented, we are certainly appreciative of our differences!

Our first week of Social Studies projects for grades 1-4 focused on our communities. We had presentations that included maps of our homes, some 3-D replicas of Salisbury, and some interesting views on community helpers.

Upper graders were learning about Theories of Prehistoric Life. It was interesting to hear about what the "scientific" community thinks happened at the beginning of the world. We were able to hear about Neanderthals, Dinosaurs, the Ice Age, and some other interesting theories. We rounded it off with a comparison to scripture, and a discussion about the difference between fact and fiction.

We enjoyed our first Friday with Mr. Jim and Mrs. Jan (complete with presents!). We had our first art class with Mrs. Kellie, and music to begin learning our chimes songs for our upcoming church leaderships!

Praise God for a successful week! He gives us all the strength, patience, and perseverance to do our best each day! What a blessing to be in a scholastic family where God is the center, and we all aspire to be more like Jesus.
