## THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

### A NOTE FROM DR. STEIN

What a blessed week we have had at SAS! This week we had to cancel our second to last ski trip because of the heat wave and potential closure of the resort. While we were disappointed to have to miss a day of study and the slopes, it was nice to have a full, "normal" work week again.

Progress reports went home this week, and students were able to share with their parents how they have been progressing at school in all of the subjects. Some subjects are definite 'strengths' for some students, and some seem to be a consistent, ardent struggle. Some students struggle with mathematical concepts, and others find it easy and breezy. Some students struggle with phonics and vocabulary, while others simply flourish. Some students have difficulty with memorization, and others only need to look at something for 10 minutes before being ready to recite it perfectly. Isn't it interesting how different people are able to grow in different ways in the same scholastic environment! Praise God for a holistic school, where students can learn, grow, and be challenged, regardless of their strengths and weaknesses. Over time, growth can be measured, and that is what matters!

We have enjoyed a normal week of PE, and have been strengthening our soccer skills. It's interesting how 20 minutes of high energy play can re-charge the learning.

This Thursday, March 1, is our final ski trip for the year! We've got quite the group of adults accompanying us on this last journey to the slopes. We praying for some cold weather and fresh accumulation up in Banner Elk! Please keep our school in your prayers as we learn and grow and change every day. Our prayer is that we are always 'thirsty' for God's word, and always ready to give a 'drink' to those around us.

## Home and School

We are very excited to have start a small fundraiser with the kids next week. We are starting a "Penny Wars" fundraiser. There will be two jars in the office. One labeled "lower graders" and one "Upper graders". The students will compete to see who can bring in the most change. Each penny is worth one point. They can take points away from the other team, by adding quarters, dimes, nickels, and dollars to the other team's jar. So don't be surprised if a student comes up to you asking if you have any spare change. ☺

Our rummage sale will be in April. Until then, please keep all items that you would like to donate until the week before. You may donate smaller items, but we need to make sure that we are not cluttering up the church and school for a month.

Our next home and school meeting is Feb. 25 at 3 PM.

**"But those who wait on the LORD Shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint." Isaiah 40:31**
