A NOTE FROM DR. STEIN

This week was one of getting back to the basics. Sadly, our final ski trip was cancelled this week because of the warmer weather! While we have enjoyed the warm spring breezes and beautiful sunshine, it ambushed our skiing plans! And so, we say goodbye to our ski skill development for this year! What a glorious opportunity it was! We enjoyed it! A big thank-you must be said to our sponsors who made these trips possible! You know who you are, and the gift of downhill skiing and learning a new and difficult skill will be one that gives back to us our whole lives.

The students and staff wrote a thank you card to me for the trips, with examples of their favorite parts of the ski experience. But, really, the entire project would not have been possible without all of us working together! It was a dream come true, and we weren't ready for it to end! Praise God for a wonderful 5 weeks of specialized instruction.

Another exciting development is our upcoming Social Studies Fair! This fun event will be on **Sunday, March 25, at 2PM.** Students are choosing a person, country, or event from before the 1800s and preparing an interactive presentation for all of you! All of our church family is invited. There will be journals to see, illustrations, interactive exhibits, speeches that the students will have prepared, refreshments, and more! We will have three guest judges, and the delivery of ribbons. We hope you will put this fun event on your schedule! Support our school by attending our Academic Fair.

Back to regular PE schedule!

Home and School

I just wanted to make a quick note to say 'Thank you' to those who have expressed interest in helping with our rummage sale coming up in April. We are very excited for this event. If you or someone you know is good at marketing, please contact me, Mrs. Kellie, so I can get you the info. We need to help spread the word. Also, I know it's frustrating when you have things you want to get rid of now and the rummage sale isn't until April, but please try to hang on for a little longer. We physically just don't have the space to start collecting items just yet. We will be collecting the whole week before the sale. We already have some volunteers to help organize and price but we are in need of more so if you can and would like to help, please let me know. The more people we have to help the better! Also there will be a bake sale as well. So we will need some to help with that part as well! We will need at least 2 people to run the table and several to donate homemade baked goods the evening before the event. Pray on it, and let me know what you can help with.

"Create in me a pure heart, O God, and renew a steadfast spirit within me."
