THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

Well, there's a mixture of Spring and Summer happening in the weather right now. Some days we need our umbrellas, and some days we need our winter coats! I'll be happy when the weather settles down and acts appropriately!

We have not had a chance to hunt for frogs this week because when it's cold they retreat under the water. We know they're there, but try as we might we cannot find them! Did you know that they shift colors to match their surroundings? When we caught them they were dark brown/almost black. After a few hours in our terrarium they were discovered to be pale yellowish green! What a neat adaptation! We watch them change before our very eyes!

Science this week for upper graders has been about motion and energy. Do you know the difference between potential and kinetic energy? Could you describe it to others? Our upper grade students can. One really neat example of both potential and kinetic energy is the yo-yo. Can you think of the different ways a yo-yo contains or maintains energy?

Lower graders have looked at both sound and light as forms of energy. They experimented with traveling sound and created cool scenarios to test traveling light. God's creation held our thoughts in captivity this week. We had a lovely time at our Valentine's banquet last Sunday! Our turnout was fewer than we planned, but perhaps this was due to the rainy weather. We still had more than 30 people come to support our event, and for that we are thankful! A special thank-you to all who participated. If you have ideas about how to make our fundraising events more successful or well-attended, please make a point to let me know! We want our school to feel like "yours!" It takes teamwork to make an evangelistic non-profit business successful!

We have so much to be thankful for at school! Each morning we talk about our prayer requests and ask God to guide our day. We encourage daily devotion time, and spend time reading our Bibles. Our hope is that our lights will burn brightly for Christ in a dark and enveloping world. We want to resist all of the world's charms! Please keep us in your prayers as we chase after the righteousness of Jesus each day.

Valentine's Crafts!

The students sang their favorite love songs to God for our Valentine's Banquet.

India shows off her facts cube project on Harriet Tubman for Social Studies.

Home and School

A BIG THANK YOU to all of you who helped or supported our school's Valentine's Banquet. It was a fun evening with delicious food and fun entertainment. We are still waiting on our numbers to see how we did fundraising. We will let you know as soon as we find out.

Our next Home and School meeting will be on March 10th at 3PM. Please plan on attending. We will be talking about a few upcoming fundraisers that we are planning.

“And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.”
