THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

Well, another week has passed with excellence! This week has been a substitute teacher week for the students! Sunday I flew to Baltimore, MD for a Bible Conference. What a blessing it was to feel refreshed and equipped to shine for Jesus, and to help others shine too! Students here at home were blessed with two substitutes: Mr. Tom & Mrs. Leesa. It was a healthy exercise for the children to learn in ways that are different from mine! There was a little frustration, a little time spent in adjustment, a few 'bumps,' but they survived! Good substitute teachers are so hard to find, and we are blessed with 2 of the very best! Classwork was completed, studies were tackled, and everyone was ready to continue learning upon my return. If you see either Mr. Tom or Mrs. Leesa, give them a big hug from me! The only reason we are able to continue with a modicum of success is because of our support staff and volunteers!

Science this week for lower graders was looking at light waves. We had a variety of experiments to model both light and sound waves, and the difference in shape and travel between them. Upper graders began a study on velocity, thermal energy, and heat transference. It's been an interactive week!

It's hard to believe we are finishing our third quarter and starting our last 3 months of school! This year has really flown by! With graduation and awards right around the corner, we are looking at our testing scores and current skills to see what more we need to equip us for next year! We have nearly finished our Math and Phonics Curriculum, and I am beginning to plan into the first few weeks of each student's next level. We do this as a strategy to protect against summer regression, and ensure our brain readiness when we return to school in the fall! God is so good, and we are thankful for a chance to learn and grow every day in a place where He reigns!

SAVE THE DATE

March 4-8

Spring Break!

March 10

Home and School

Meeting 3PM

March 11-15

Week of Prayer

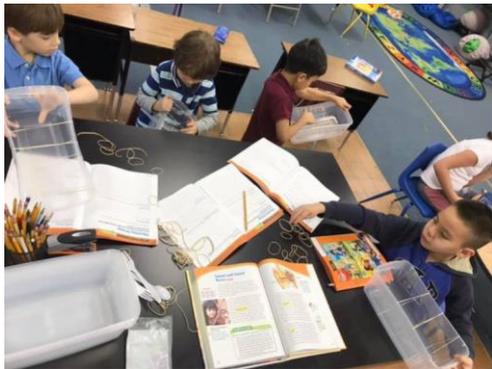

The students visited some church members last week who have been feeling under the weather.

Visiting Ms. Barbara Little.

Library Day!

Science with the lower graders

Home and School

Our next Home and School meeting will be on March 10th at 3PM. Please plan on attending. We will be talking about a few upcoming fundraisers that we are planning.

Please continue to collect Box Tops and send them in to the school. We have not had very many this year. They really do help. So if you can remember to clip them, please do so and send them in!

“Be patient, then, brothers and sisters, until the Lord’s coming. See how the farmer waits for the land to yield its valuable crop, patiently waiting for the autumn and spring rains.” James 5:7
