THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

What a wonderful week it has been! We have been preparing in earnest for our Social Studies Fair! **This fun event will be this coming Sunday at 2PM.** Students have researched for days, kept careful notes, created a visual board, and now we are preparing the props and practicing a speech! Please come and support the school by seeing what they've been studying. Also, this would be a great opportunity to talk to prospective families about what we do here at SAS.

There are several main reasons why SAS is the best choice for education. One reason is our dedication to acting, speaking, and thinking like Jesus Christ. Not many schools bring Christ into EVERY subject (yes, even Math!)). A second reason is our dedication to health and wellness. We encourage healthy eating and prioritize exercise and physical well-being. A third reason is our academic prowess. Our holistic approach to education leads to measurable results in our students. Every student at SAS saw a 3-21% increase in their standardized test scores from last year to this year. In traditional schools, scores stay stagnant from year to year, but in Adventist schools, there is consistent increase in measured success. SAS is no exception!

We are hoping and praying that God sends us at least 6 more students for next school year! We would love to see our numbers boosted because of God's grace! Did you know that you could be a tool to fulfill God's promise to sustain us as a school? If God puts it on your heart, talk to families with school-aged children, and put the school as an option in their mind.

One room schools are a 'dying breed' and a call to traditionalism and 'old-fashioned' morals in this fast-paced world. Help others see the advantage of a small school, and how it can make a lasting impact!

We would like to further the three angel's message with our children as gospel workers, and we need your help! Please don't hesitate to text, email, or call if you have any prospective students who might like more information about the school.

Lower graders were able to grow their own sugar crystals!

Home and School

Hello all! Well we are officially 4 weeks out from our BIG rummage sale! It is on April 22 from 8am-3pm. This is a fundraiser for our school and there will be all kinds of goodies. There will also be a bake sale with all kinds of yummy treats! If you would like to donate items, please bring them to the fellowship hall between April 15 and April 20. If you need something picked up, please give me (Mrs. Kellie) a call at 904-214-2843 and we can arrange it. If you would like to help with the bake sale part, please bring a baked good on April 21. If you can help in anyway with set up, pricing, or anything else, please let me know ASAP.

This Sunday, March 25 at 2PM, we are having our school's Social Studies Fair! The students have worked hard, so come on out and see what they have put together for you! There will be light refreshments afterwards and ribbons will be awarded to the best projects.

Our next home and school meeting will follow our Social Studies Fair on Sunday.

“Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.” 1 Corinthians 10:31
