## THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

### A NOTE FROM DR. STEIN

What a beautiful time of the year we are in! The birds have been singing, the sun has been shining, and the rain has been keeping our garden moist and happy. Little seedlings popped through the surface and have begun to soak up the sunshine!

This week we've been studying Jesus' final moments on Earth as we've been practicing for our Easter Play. It's amazing to think about what it must have been like for the followers of Jesus. To watch Him go through the trial, public humiliation, and persecution would have been very confusing. Sometimes I think we, as humans, think we understand a situation, we make plans based on our understanding of the situation, and then things happen that completely astound us and shake our reality. Jesus' followers definitely went through this process. There was the expectation of His earthly kingdom completely crashed and ruined! They could not understand (and must have mourned greatly!) the death of their promised one! In life, I think, we need to be feeding daily on the Word of God. This protects us from great disappointment. Not because things of this world don't shock us, or because a situation isn't disappointing, but because if we remember, the way Jesus did, that God sits on His throne...then we are less concerned with the situation because we know it will all work out! As Pastor Scottie says often: sometimes the problem will solve the problem. If we are willing to stand still, then God will fight our battles for us.

This week I announced my plans to move. I have accepted a job in Charlotte, and plan on moving in June. While we don't know (for sure) who will be replacing me, we DO know that God has the perfect 'someone' in mind! Please pray for our school as we finish the school year with excellence. We, here at SAS, still chase God and the character of Christ every day, and we desire a change to our earthly bodies. We want to belong to Him! Pray that all that detracts from this mission be done away with...that the Holy Spirit will ascend in abundance, and that our final weeks together be memorable ones! Please also pray for the new teacher. Whomever God brings to us, we want to be a support. We desire a smooth and helpful transition, and (above all) for God's will to be done!

6-8 measure thermal energy transfer for Science.

Daniel explains his Government Branches for Social Studies.

## Home and School

Our plans for our final Rummage Sale/Spring fling are under way! Mark your calendars for April 28<sup>th</sup> from 11-5. We will have activities for the kids and food for sale as well as our rummage sale. If you have anything to donate, please hold until the weekend before. That is April 21<sup>st</sup>. Also, if you would like to volunteer please let me (Mrs. Kellie) know.

In May, we are planning a simple pancake breakfast fundraiser. It will be on May 5 from 7am-12pm. Price is \$5/plate and it's all you can eat. Some out and support the school.

Our next home and school meeting is on April 14 at 3PM. If you would like to help out with either event, please plan on coming to this meeting.

“And we know that all things work together for good for those who love God, who are called according to his purpose.” Romans 8:28
