Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

Spring has sprung and we are enjoying the sunshine at school! Most days this week we were able to eat our lunch outside and enjoy the fresh air and sun on our faces! A few of the students spend time gathering large sticks and attempting to build a makeshift bridge over the risen creek. What a blessing to be so close to the woods and be able to play outside with relative freedom.

Our little garden has begun to flourish! Our plants are developing and some of them show signs of budding. We are so excited to be able to watch their growth, and to soon enjoy the "fruits" of our labor. It looks like we've got cabbage, beans, strawberries, and yellow squash. Our plants seem to have beat the odds and achieved growth, despite less-than-favorable conditions! My prayer is that our spiritual growth can be the same way: even though we have trouble staying connected to our 'water' source, even though we do not have enough 'sun'light, even though we are not planted shallow or deep enough in our 'soil,' we can still achieve growth. Our connection to the savior can be strengthened, we can make little steps of growth as a Christian. Grace abounds as the children of the King! I am so thankful that God is not through working through me, and that I can continue growing stronger as a 'sapling' of Christ's!

Don't forget that our Spring Fling Rummage Sale is a week from Sunday! All donated items are being collected in the foyer of the school until this Wednesday, April 24. Clean out the garage! Bring us the items of value so that we can use them to fundraise for our school! Tomorrow is our Easter Play! Please join us at 5PM for a dramatic re-enactment of Jesus' final moments on Earth. It will cover that Passover Week, his death, and resurrection. There will be musical selections from Pastor Scottie, myself, and the students. If you'd like an Easter blessing, come out to the sanctuary and support our students and all of their hard work.

Home and School

Our plans for our Spring Fling/Rummage Sale are well underway, but we need more volunteers. If you would like to help out with the games outside, the food, the sale itself, or help set up the sale, please let Mrs. Kellie know ASAP.

Please join us on April 21, at 5PM for a beautiful program about Christ's final moments here on this Earth. You won't want to miss this! The students have been working hard. So come on out and bring your friends, family, and neighbors for this special program.

We will be having a short Home and School meeting after the Easter program this Sunday. Please plan on attending if you are helping out with the Spring Fling/Rummage Sale in any way. Thank you!
