Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

Can you believe that school is nearly over? Here at school, we are finishing up our subjects. Our Math Units are nearing an end. We are learning volume, measurement, and graphs. Our Science is also nearing an end. We finished out unit on Earth Science, and had our quarter 4 test in Grades 1-4! We are lucky enough to have 2 different storytellers that have been visiting us to share their favorite stories with us. A big thank-you to both Ms. Leesa and Ms. Averi! We love group story time! We get to listen, laugh, and discuss our thoughts about new materials.

We've also been working hard on our Art projects as this year draws to a close. We are gearing up for our Art Fair! This fun event will be on Sunday, May 20 at 2:00PM. We will have all the art projects that we've worked on all year long displayed for everyone to see. We will also be sharing our poetry and having a worship thought. Please come and enjoy seeing what the kids have been working on! It will be a great time, and a chance to support our school kids.

Looking forward to next year, we are really looking forward to a new school year and some new changes! We are hoping to have a half-day Kindergarten next year! We have plans to do an 'evening' school for a day, and to have an Easter Program to celebrate Christ's death and resurrection!

Do you have an interest in supporting our church school? Please contact me via email or phone so that we can put you to work! We need help in classroom volunteering, grading, marketing, planning for events, outreach leadership, grounds work, planning for school aesthetic improvements, and many other areas!

ART FAIR!

Home and School

Well, we are down to 2 ½ weeks of school. I want to thank everyone who has supported home and school this year! I pray that next year will be even better! We have two more events coming up that you should be aware of.

May 20 at 2:00PM is our Art Fair! Come out and see what the kids have been working on throughout the year. We have quite the little artists on our hands here at SAS. I have had the privilege of being able to teach different art styles and techniques to the students this year and I am always amazed at what these kids can do. So, come and check it out.

Speaking of art, our students have some art work on display at the Rowan County Public Library in downtown Salisbury. If you happen to be in the area, stop in and check it out!

May 22 at 6pm is our school's 8th grade graduation/awards night. Please come out to show your support for our students.

“Bless the LORD, O my soul; And all that is within me, bless His holy name!”

Mrs. Jan is our honeycomb. The kids gather around her at lunchtime like busy bees.

Mr. Stein came in for art to teach us how to build birdhouses. It was quite the undertaking.
