A NOTE FROM DR. STEIN

This week has been a great one. In Bible we've been studying the presence of the Holy Spirit in our lives. We divided into groups and each researched different biblical accounts of what the Holy Spirit does to and for us. What we learned is amazing! Ask a student about their presentation and what they learned about his function in our daily life. My personal favorite verse is Romans 8:26-27. I love the concept that even when I don't know what to say, God listens. God cares about me, and can hear my heart because of the work of the Holy Spirit. I am fully loved and fully understood by God.

Do you ever stop to consider what it will be like to be in heaven? Our time spent here on earth is such a pale comparison to how glorious it will be! It gives my heart joy to know that all sadness, pain, grudges, unresolved frustration, conflict, anger, and sinful thoughts will be destroyed! My prayer is that we can use our time on earth to grow in godliness and love for one another! At school this means dying to self each day. What does that look like? For us it means discussing the stressors on our hearts, brainstorming for ways to have peace during our life 'storms,' and beating each other's burdens. What does it look like in your home?

Every beautiful day is a picnic day for SAS!

Home and School

We are wrapping up the year. This last Sunday we had our final fundraiser for the year, our Rummage Sale. We raised over \$600 for the school! Not a bad day's work. Thank you to everyone who donated and helped out.

This Sunday's pancake breakfast has been canceled.

Just because the school year is about over does not mean we still can't raise money for the school. Please continue to collect the Box Tops for education, and if you still want to purchase some cutlery, you have until August to get in on the Rada fundraiser. Contact Rebecca Deal or go to:
