## THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

### A NOTE FROM DR. STEIN

It's that time of year ☺. Graduation for our illustrious graduates is on Monday. We have two boys who have successfully completed their first year of formal education. Jordan Garrett and Luke Deal will be graduating from Kindergarten. There will be little gift tables set up for each of the graduates Monday evening. Melissa Stein is completing her 8th grade year and will be graduating as well. She has plans to attend Mount Pisgah Academy next year, so any and all prayers are much appreciated. Please plan to attend Monday evening. The festivities begin at 5:30pm, with a constituency meeting to follow immediately. Refreshments will be served in the Fellowship Hall after the meeting. Decorations are headed up by our own Mrs. Dawn Bryant, and our snacks are provided by Ms. Donna Watson.

The school year is coming to a close. I want to take a minute and say thank you to all who have served SAS this year. It's been a year full of incredible support, and I genuinely appreciate it! As I transition to a new school I will remember SAS fondly. This was a place where I felt challenged and educationally stimulated. It has been three years of intense growth and learning for me. God brought me to SAS through miraculous circumstances, and I'm so glad He did! I have fallen in love with absolutely EVERY child I have had in my classroom. I feel honored to be a part of their educational and spiritual journey, if only for a little while. God has great plans for SAS, and I'm so proud of how far we've come and how much we've grown (in more ways than one!). Onwards and upwards we walk, until that final gathering in heaven when we will be reunited once and for all.

Lower graders explore synthetic snow that we made during Science Exploration time.

Last day of school

India explores the phenomenon of air pressure and thermal heat.

Jacob writes the data from his psychrometer during Science class.

## Home and School

Just because the school year is about over does not mean we still can't raise money for the school. Please continue to collect the Box Tops for education, and if you still want to purchase some cutlery, you have until August to get in on the Rada fundraiser. Contact Rebecca Deal or go to:

<https://radafundraising.com/?rfsn=1957028.122a14>

“And this gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come.” Matthew 24:14
