TRUMPETER

THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

What a glorious time of year it is! The sun shines brightly, the birds are singing, and God seems to say 'I love you' with every cool breeze. We serve a Savior who is kind, considerate, and loving.

This week we've been studying animal movement in K-4 Science. One of the highlights of the week was our 'worm races,' where the students created two race tracks and timed their worms as they battled towards completion. The poor mealworms had surprising difficulty with the spots of the track that had scotch tape (think of a deer on a frozen lake surface).

6/8 are studying buoyancy, absorbency, and classification. Do you think natural sponges or commercially made sponges are more absorbing? You'll have to ask India or Melissa to find out! We also had a chance to classify different shells by shape, color, and weight. It was a test of our patience and observing skills.

We have begun our music studies this week. We are learning the song 'Shine Jesus, Shine' on the chimes. The words to this song are our goals in school each day. As Jesus shines His love into our lives and on our hearts, we desire to reflect it on all who are open and ready to feel it. Please keep our school and students on your daily prayer list! We need the angels that prayer time provides!

Favorite Color: Blue

Favorite Holiday: Christmas

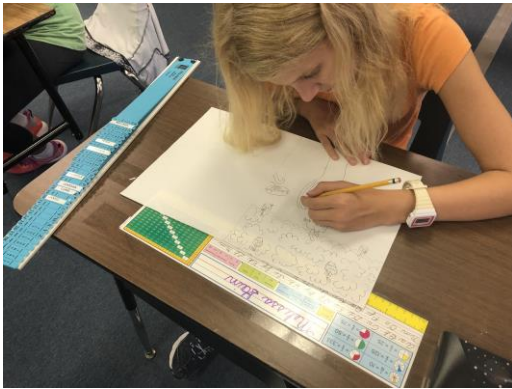

Favorite Food: Macaroni

Favorite Subject: Math

Favorite Book: Animals

We got to see some wild turkeys this week!

Our 8th grader working hard on her art project.

Lower graders made alternative backbones. Some were made of beads, some of sequins, and some of plastic craft supplies!

Home and School

This year is starting off on the right foot. We have some good stuff working on the Home and School front.

Our school now has a "donate" button set up on the school's website now. If you or someone you know would like to donate to our school, please visit our website at www.salisburyadventistschool.org and click the donate button about midway down the home page, and don't forget to tell your friends!

SAS is now collecting Box Tops for Education. If you have Box Tops you would like to give to the school, please get them to the school office ASAP. Each Box Top is worth .10 and every little bit helps!

Our Rummage sale that was scheduled for Sept. has been moved to Oct. 14 so we can also have a fall fest at the same time! Please start thinking about what you can donate for the sale.

We will have a Home and School meeting September 23 at 3PM in place of the Rummage Sale that has been moved to Oct. 14.

“But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen.” 2 Peter 3:18
