## THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

### A NOTE FROM DR. STEIN

Another week has passed! Our little school continues to be a place of peace and joy. It's amazing how God works to make the situations we face into a time of growth! Romans 5:4 was our memory verse for this week, and it reminds us that we have a confident hope in salvation! God is coming back to get us...soon! He cares about us, he watches over us, and even when we face trials, He is right there with us! All that we do is for Him to judge. I pray that the employees, students, and supporters of SAS are daily submitted to God's will. As Ty Gibson said once, "All of this, all of our troubles, in fact, our ENTIRE LIFE, will be (when we finally get to Heaven) like one night in a bad hotel!"

Until the day comes when He arrives to take us home we must do our part! Here at school that means developing our characters in study, prayer, determination, and obedience. It means standing against what the world has to offer and chasing the life God desires for us.

In science this week we've been studying skin and the effect of air on living things for the lower grades. For upper graders we compared different materials and how they absorb (adding to the comparison of synthetic and natural sponges from last week). In Social Studies we are creating a timeline of early American history, and drawing/describing their influence on our culture. Upper graders also completed our first set of vocabulary flash cards! In both Social Studies and Science, we keep track of new words and their definitions. This week we completed our first set: that's more than 75 new words! Lower graders are at about 40 words. These will become especially helpful when we are studying for our exams.

May God be with you and bless your circumstances! And even if He doesn't, rejoice! Our hope is cultivated through what we go through! We can keep our eyes on the ultimate destination: Heaven! Let's all continue to do our part!

Last Friday, we did an outreach field trip and cleaned up a local park!

Our class cleaned up 10 bag fulls of garbage!

Starting the day off digging into God's word during morning worship.

## Home and School

There is much to be thankful for, I believe. I for one, am thankful for our school's support system. We are gearing up for our big rummage sale on Oct. 14. We have moved it from Sept. 23 to Oct. 14 so we can have a fall fest. More info will be coming soon.

Our next Home and School meeting will be on Sept. 23 at 3PM.

If you know of anyone who would be willing to make a donation to our school, or you would like to help out, please visit our website at [www.salisburyadventistschool.org](http://www.salisburyadventistschool.org) and click on the "donate" button. We appreciate every gift that goes towards our school operations.
