A NOTE FROM DR. STEIN

What a week this has been! We have been promised hurricane weather, but the sun has been out and we have enjoyed being outside. We are few in number but big in spirit! Friday we had our weekly Outreach class and we had an opportunity to have prayer sessions and wrote prayer cards for those on our minds. We prayed for Mrs. Sherry and Baby Abigail (soon to make her appearance!), we prayed for the Teter Family and everyone missing Ms. Sharon, and we prayed for Ms. Shirley who is having knee surgery. Scripture tells us that prayer is the answer to keeping our hearts pure. We want people to feel their presence of the Holy Spirit, and this happens with the power of prayer.

Science this week for the upper graders has been an adventure. We are studying vertebrates and animal characteristics. We began a dissection project of a perch (a medium sized fish). We examined the contents of its stomach, and looked at a scale under a microscope. Did you know a fish's scale tells how old it is? Similar to the rings on a tree, the number of lines on a fish scale tell how many years it's been alive! Science for lower graders has been on life cycles and incomplete and complete metamorphosis. We received our ladybug eggs and have been tracking the growth of the little nymphs in their habitat. What a wonderful example of the miracles of God.

Please be safe during the hurricane! School was cancelled for us on Friday in preparation for the storm! We will all be home, ready for the storm to hit! Let this be a spiritual lesson in fortitude, as well. We need to be fortified daily for the storms the devil throws at us. Daily time in God's word and earnest prayer are the path towards spiritual peace and confidence in our journey destination. We are strong, because God is on our side!

Home and School

We have been busy making preparations for our Rummage Sale coming up on Oct. 14. We will be starting to collect items for the Rummage Sale very soon so please keep thinking about what you can contribute. And start spreading the word! We want this to be a big success. Last year, we raised over \$800. Let's make it our goal to make \$1000 or more! If you have any questions, please feel free to contact Mrs. Kellie at 904-214-2843.

Have you heard? SAS takes donations on our website now! If you or someone you know feels a tug on your heart to donate to our school, please visit: www.salisburyadventistschool.org and click on the 'donate' button. Every little bit helps and the money goes towards the daily operations of our school. Thank you in advance!

We are still collecting Box Tops! Please continue to save your Box Tops and give them to Ms. Donna Thall or Mrs. Kellie Garrett!

"I will give you a new heart and put a new spirit within you; I will take the heart of stone out of your flesh and give you a heart of flesh. I will put My Spirit within you and cause you to walk in My statutes, and you will keep My judgements and do them." Ezekiel 36:26-27
