STUDENT OF THE WEEK

A NOTE FROM DR. STEIN

We are half-way through our 1st quarter, here at school! Progress reports came home this week, and everyone is able to see how well they have been progressing in school work!

Projects this week for the lower graders focused on Suburban neighborhoods and what life is like. This seemed a particularly easy topic since most of us live in a suburban neighborhood! We learned about schools, churches, neighbors, and communities. Upper grader projects were on Folktales from India. We had a chance to hear about some of the historical stories from ancient India. Some of them were quite outlandish!

I want to take a moment and send a big 'thank-you' to a new volunteer, here at SAS. We welcome Mrs. Angela Grewe to our volunteer staff. She has been spending tireless hours grading in the office for our little school. We are so lucky to have her dedication and perseverance at SAS!

We are really looking forward to our church leadership days. Our first one will be September 16 at the Salisbury Church. We will have a chance to show some of our musical and speaking skills in God's service. We will be making the trek to Concord Church next Sabbath, the 23rd of September. Please say a special prayer that the students and staff will be able to glorify God, and keep our perspective amidst the pressure of leadership.

Box Tops For Education

One of the fundraisers that we are running here at SAS, is the Box Tops For Education fundraiser. We are collecting box tops that you can find on several items that are purchased at the store. I have found them on items such as cereal boxes, fruit snack boxes, aluminum foil boxes, Lysol cans, and several other items. Please check at home for these items. If you have box tops, please collect them and give them to me, Mrs. Kellie. We can turn those box tops in for cash for the school!
