THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

A NOTE FROM DR. STEIN

What a beautiful week it has been! In the aftermath of Hurricane Florence, we have been enjoying some lovely sunshine and green flourish outdoors! We followed the Rowan-Salisbury Schools in closing both Friday and Monday. Our four-day weekend kept everyone home safe. In our house we had some good family time, with board games, movies, and we also enjoyed watching the rain. We are still praying in school for all of those who are still recovering from the damage caused by all the flooding. Praise the Lord we didn't lose power! God kept us sheltered through the storm!

We have continued our study of ladybugs, frogs and metamorphosis in lower grade science. Each student has prepared a project to share with classmates next week. We will have some clay projects, some PowerPoints, some Lego projects, and some artistic ones! What a fun way to engage in our new knowledge!

Upper grade science has been continuing in our exploration of sponges and their anatomy. We did a research project on their usefulness in the sea, and tested their purifying capability using dirty creek water. We also completed our dissection of a perch. Do you know what can be found in the stomach of this fish? Ask an upper grader to find out!

We are looking forward to our week of testing next week. Our upper graders will have a week of testing intervals, combined with stress reducing tactics, like rest, play, and prayer. It will be a week of challenge and excitement. Our special science Week of Prayer is coming up October 8-12! We will have Mr. Loren and Mrs. Cheryl Herbert here as our special guests! We are so looking forward to this week of science exploration and getting deeper into God's word! It will be especially useful to re-explore the scientific method, in preparation of our Science Fair, which will be on November 4. Mark the date!

MaKayla shows how God's promise to never leave her feels through visual art.

Ms. Butterfly Barbara brought us a butterfly cocoon and a karate beetle

Home and School

We have been busy making preparations for our Rummage Sale coming up on Oct. 14. We will be starting to collect items for the Rummage Sale very soon so please keep thinking about what you can contribute. And start spreading the word! We want this to be a big success. Last year, we raised over \$800. Let's make it our goal to make \$1000 or more! If you have any questions, please feel free to contact Mrs. Kellie at 904-214-2843.

Have you heard? SAS takes donations on our website now! If you or someone you know feels a tug on your heart to donate to our school, please visit: www.salisburyadventistschool.org and click on the 'donate' button. Every little bit helps and the money goes towards the daily operations of our school. Thank you in advance!

We are still collecting Box Tops! Please continue to save your Box Tops and give them to Ms. Donna Thall or Mrs. Kellie Garrett!

**“My voice You shall hear in the morning,
O LORD; In the morning I will direct it to
You, And I will look up.” Psalm 5:3**
