### STUDENT OF THE WEEK

#### A NOTE FROM DR. STEIN

Fall is in the air! The leaves have started to change color and I've truly enjoyed the snappy breeze signaling the change in season. Fall is one of my favorite times of year, with everything pumpkin flavored and a hint of Christmas spirit to lighten the mood with anticipation!

This week was one of excellence. Lower graders had Social Studies projects studying Charlotte, NC and comparing it to our local neighborhoods. Most of the students live in a Suburban neighborhood, which was interesting to see. Downtown life is a little different!

Upper graders looked into life of Ancient China. We heard all about Daoism, Taoism, and other interesting religious beliefs. We heard about their festivals and religious practices. What an interesting way to live! It all made us happy to know the One True God and know that we don't have to worry about things like the wrath of silly false gods.

We led out for the Concord service. I heard several reports of people receiving a blessing from the leadership there. We were able to sign the song 'Even If' by 'Mercy Me,' and hear the beautiful message it contains. If you haven't had a chance to hear this song, be sure to look it up.

This week we also began our IOWA tests! These important tests measure student skills and give me an indication as to where our education might be faltering. It will be wonderful to see how far we've grown since last year! Please pray for our students, and for us teachers as well, that God's will be done in regards to instruction here at SAS. We are honored to have a school, and we know that God blesses those who follow Him! Praise Him for his continued blessings!

## FUNDS2ORGS

This week we are starting another fundraiser on top of the Fun Pasta and Box Tops for Education. This one is a Funds2Orgs shoe drive! This particular fundraiser focuses on collecting gently used or new shoes. Our school's goal is collect AT LEAST 100 bags of shoes with 25 pairs per bag. That is 25,000 pairs of shoes! We are very excited for this shoe drive because everyone probably has at least one or two pairs of shoes that they don't wear anymore that they can get rid of and instead of donating to the local Goodwill or Salvation Army, you can bring them to us and our school will earn money based on how many pounds of shoes we collect! So, please, start helping us collect those shoes! Ask your neighbors, co-workers, family members, friends, and anyone that you can think of. There are no limits to the type of shoes we collect. We collect men's, women's, baby's, children's...and they can be anything from work boots, to sports cleats, to high heels. Anything goes as long as they are in good condition. Please bring them to Mrs. Kellie in a plastic bag and she will take care of them! If the students meet their goal they will have a special party planned for them! And the student who brings in the most shoes will earn a special prize.

### Help Us Reach Our Goal!

Donate any gently worn, used and new shoes to Salisbury Adventist School to benefit our fundraiser as well as micro-enterprise around the world!
