## THE SALISBURY ADVENTIST SCHOOL NEWSLETTER

Salisbury Adventist School is a holistic, Jesus-centered school serving students in grades 1-8

### A NOTE FROM DR. STEIN

Another week is behind us, and we have so much to be thankful for! Do you ever just sit still and begin to make a list of all that you are blessed with? We, at SAS, have happy students, healthy bodies, a pretty building to learn in, plenty of space, fun activities to engage in everyday, great volunteers and staff that make our week brighter and better as the year goes on. We are truly blessed! All thanks and praise goes to our Heavenly Father, Elohim, for giving us these gifts! I pray that we are able to remember to say thank-you!

This week we had our Quarter 1 test in lower grade science about animals, metamorphosis, and migration. We have learned quite a bit, if our grades are an accurate depiction! Upper grade science has been focused on some interesting outlier animals, like male baby caregivers in the animal kingdom, and comparing tree frogs and bullfrogs. It's nice to gradually increase our knowledge in areas we are interested in. We will be doing our first Quarter Science Test very soon!

Social Studies has been entertaining this week as well. Lower-graders studied the 1800's and some of the structures and transportation used in that time. Upper graders looked at the seven wonders of the world, and the impact some of those places had (and still have!) on society. Did you know that King Nebuchadnezzar's Hanging Gardens of Babylon are one of the ancient wonders of the world? It's fascinating how much support there is for our Biblical records, even from the public viewpoint. It's been amazing to delve a little deeper into these cool places.

Have you considered volunteering at our school? We would sure love to have you visit? We are always on the lookout for chapel speakers, graders, or just curious folks! Call or text me at 423-930-4721 and swing by for a visit! We'd love for some more involvement from our church constituents!

## Home and School

We are just a little over 1 week out from our big Rummage sale and Fall Festival! We are very excited. We still need a few volunteers to help with running booths at the Fall Fest and to help set up and run the sale portion of the Fall Fest. If you are willing to help out in any way, please let Mrs. Kellie know.

After our Rummage sale, we will start 2 other fun fundraisers for the holidays! We will be selling popcorn and Rada cutlery. We will need all the help we can get on these two. With the holiday's coming up, these will make FANTASTIC gifts. More info will on these two fundraisers will be coming soon.

Don't forget, we are collecting Box Tops. It may seem like a hassle to cut all of those Box Tops, but it really helps our school out, so please remember to cut and save those Box Tops and bring them into the school office to Mrs. Kellie.

And, did you know that our school can collect donations on our website? If you, or someone you know, wants to help by just donating to our school's daily operations, please visit: [www.Salisburyadventistschool.org](http://www.Salisburyadventistschool.org) and click on the 'donate' button! Thank you for your support!

“For God has not given us a spirit of fear, but of power and of love and of a sound mind.”
