

SAS Trumpeter

A note from Dr. Stein...

Whew! That was a fantastic week! We had our presentations on Friday and boy were they good ones! The 1-4th graders discussed healthy choices and balanced meal planning, and the 5-7th graders had presentations on genetics. We even did family trees and discussed the prevalence of certain eye colors.

Our art on Friday consisted of planning for our class-wide mural, where each of our 5 groups will draw scenes from our 5 Week of Prayer Champions (David, Shadrach/Meshach/Abednego, Esther, Gideon, and Jesus). We will be working more on this project in the weeks to come.

Monday and Tuesday were whirlwind days, getting work completed in preparation for our Fall Break (which happened the second part of the week).

We are looking forward to our trip to the Renaissance Festival on Tuesday, October 18. The local Renaissance Festival has a 'schools only' day for teachers and classes to visit. We are excited to learn about life in a medieval village, crafts, jousting, animals and their uses, foods of the time, and more!

We also had our end-of-the-quarter Memory Verse Test this week. It was a tough-ie! Let me tell you, though, it's amazing how many verses the students can memorize when they keep up with it week by week. Grades 4-8 memorized 18 Bible Verses, and Grades 1-2 memorized 8! I am so proud of these kids, hiding God's word in their hearts!

Week of Prayer

The students enjoyed the Week of Prayer!
Each day they learned about different Bible
Champions!!

Substitute Teacher!

On Monday, Mrs. Sherry was our
Substitute Teacher while Mrs. Stein was
out with a cold. She did a great job and
we are very thankful for her help!

Student of the week...

Name: Jacob

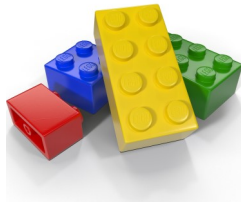

Age: 10

Favorite Color: Teal blue

Favorite Food: Lasagna

Favorite Thing To Do: Play with Legos, or in the pool

What I Want To Be When I Grow Up: A Marine
